Kanosuke Distillery - Kagoshima

Kanosuke started its operation in 2017, producing single malt whisky from their 3 stills, which all have different shape, size and line arm inclination.

By using different pot stills for redistillation and by blending new make spirits from different stills, Kanosuke can offer whisky of richer flavors and aromas.

The Auld Alliance - Singapore

Arguably the best whisky bar in the world, with one of the most comprehensive collections of old bottles of whisky.

The owner, Emmanuel Dron, is also perhaps one of the most knowledgeable people in old and rare bottles.

Emmanuel only chooses the most exceptional casks he can find to bottle under his own label for the bar.

Neisson Rhum – Martinique

Neisson Distillery, founded in 1931 in Martinique, is the smallest distillery in the island.

Neisson blends tradition with innovation. They grow sugar cane without burning fields, opting for slow fermentation with local yeasts. Their Creole Savalle column, added in 1952, distills smooth aromas.

Transitioning to organic farming in 2012 underscores their commitment to nature
